

The Jackson Group Introduces MERCURY:

Access Your Data...Anytime, Anyplace

INTERACTIVE DASHBOARDS OF YOUR SURVEY DATA

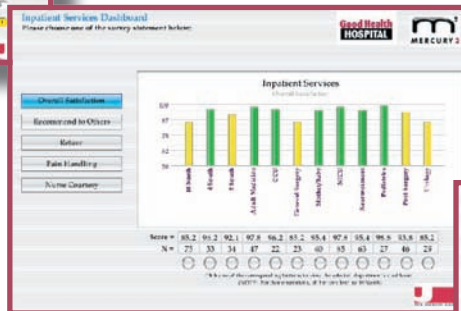

Department / Unit Dashboard

Interactivity can be developed to allow organizations to “dig” deeper into certain areas or departments / units.

Dashboards can be customized for client branding, formatting and verbiage.

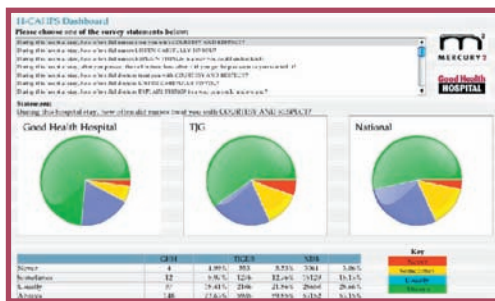

Quick, “on-the-fly” access to survey data through any Internet web browser.

Inpatient Services Dashboard

Executive Dashboard

H-CAHPS Sample Dashboard

Access can be granted to various levels of the organization, limiting them to the information that matters most to them.

Interactive Dashboards can be used for:

- * Employee Survey Results
- * Customer / Patient Survey Results
- * Market / Community Perception Surveys
- * Exit Interviews
- * Other Organizational Metrics (non-survey data must be provided by the organization)

For more information on “MERCURY” or Interactive Dashboards, contact us at
